SEASON'S GREETINGS, FRIENDS AND FAMILY,

We would like to share highlights of our family in 2015 and extend our best wishes to you for 2016.

We have half our family in Asheville, North Carolina (Tami, Jaga, Jack, and Greta) and the other half in Minnesota (Gordon, Mary Jane, Jayna, and Evan), so there is plenty of travel back and forth. (Above: Mary Jane, Gordon, Greta, Jaga, Jack, Tami)

Jack is our only grandson and so cute at 2 years old. Everyone wants to do things with him.

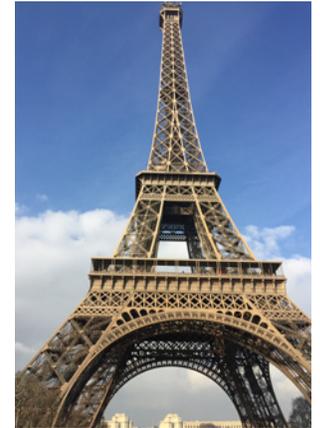

Jayna and Paul took a vacation to New York City and left Jayna's dog Otto with Gordon and Mary Jane. We were saddened by the loss of Paul's Dad, who passed away suddenly.

In January, Gordon and Mary Jane had a trip of a lifetime going to Seychelles via Paris. We were the guests of Sir James Mancham, first President of Seychelles Republic, whose books Gordon has published.

Gordon has had to change distributors for Paragon House books, which was quite stressful and still has a few bugs to work out. The company that used to distribute his books was acquired by a larger publisher who then decided to get out of the distribution business. **Mary Jane's** job at the White Bear care center was changed to a salaried position in which she is doing new employee training and other administrative activities.

Evan left his job with Display Producers when they moved to Long Island. He was hired by the New York office of Barrows, a South African industrial design company. In February he was assigned to work with Shopperworks, an advertising agency in downtown Minneapolis whose primary client is General Mills. In June he got an apartment in Edina with a longtime friend. One business trip took him to Mexico City.

Evan and Greta, 2015

Greta spent much of the year working with Baha'i community service. And, she went to Washington, D.C., Savannah. She also went to Minnesota and surprised Mom for her birthday.
